

Grasses

Species	Common Name	Hardy Temp	Flower	Exposure	Height/ Spread	Description
Andropogon gerardii 'Red October'	Big Blue Stem	To -35°C	Burgundy red, Fall		4' x 3'	Easily grown in average, dry to medium, well-drained soils in full sun. Tolerant of a wide range of soils and growing conditions.
Bouteloua gracilis	Mosquito Grass	To -35°C	Brown, Summer - Fall		1' x 1'	Compact, low growing habit. Flowers are unique and grow on an angle resembling a swarm of flying insects.
Calamagrostis 'Avalanche'	Feather Reed Grass	To -28°C	Lilac, Summer – Fall		5' x 2'	Deer resistant and drought tolerant. Non-Invasive. Great in large groupings.
Calamagrostis brachytricha	Korean Feather Grass	To -32°C	White, Late Summer		4-5' x 2-3'	Also known as Stipa brachytricha. Grows more upright in full sun.
Calamagrostis 'El Dorado'	Feather Reed Grass	To -35°C	Tan, Early Summer		48" x 24"	A green and white variegated grass. Blooms can last into winter.
Calamagrostis 'Karl Forester'	Feather Reed Grass	To -38°C	Mauve, Summer-Fall		5' x 18"	Hardy enough to survive winter in a container. Drought tolerant.
Calamagrostis 'Overdam'	Feather Reed Grass	To -38°C	Green, Late Spring		2-3' x 3'	Overdam is a cool season grass, variegated green and cream grass.
Carex morrowii 'Ice Dance'	Variegated Sedge	To -28°C	White, Spring		12" x 18"	Evergreen and deer resistant. Great in containers.

Grasses

Species	Common Name	Hardy Temp	Flower	Exposure	Height/ Spread	Description
Carex morrowii 'Silver Sceptre'	Japanese Sedge	To -29°C	Cream, Summer	 	18" x 18"	Evergreen. Drought tolerant once established. Great in rock gardens.
Carex obnupta	Slough Sedge	To -20°C	Brown, Spring		36" x 30"	Semi-evergreen. Can be planted 6" deep in water.
Carex oshimensis 'Evergold'	Variegated Japanese Sedge	To -28°C	Brown, Spring		12" x 16"	Evergreen. Low-growing grass with green and yellow foliage. Great in containers.
Carex oshimensis 'Everillo'	Everillo Sedge	To -28°C	None		12" x 32"	Evergreen. Long, thin arching leaf blades are chartreuse green toward the crown, but turn golden yellow as they are exposed to UV light.
Carex oshimensis 'Everlime'	Everlime Sedge	To -26°C	None	 	12-15" x 18-24"	Evergreen. Bright green leaves with subtle lime highlights. Deer resistant.
Carex siderosticha 'Banana Boat'	Creeping Broad- leaved Sedge	To -28°C	None	 	12" x 15"	One inch wide leaves are bright lemon or banana yellow with narrow, green margins and stripes.
Carex speciosa 'The Beatles'	The Beatles Sedge	To -23°C	None	 	4-6" x 8-12"	Evergreen. Low, clumping dark green leaves. Can tolerate wet conditions.
Chasmanthium latifolium	Northern Sea Oats	To -35°C	Green, Summer		5' x 30"	Evergreen. Extremely drought tolerant once established. Low maintenance.
Cortaderia selloana	Pampas Grass	To -16°C	White, Cream, Late Summer		8' x 4'	Densely tufted plumes atop light green stems. Leaves can have sharp edges.

Grasses

Species	Common Name	Hardy Temp	Flower	Exposure	Height/ Spread	Description
Cortaderia selloana 'Rosea'	Pink Pampas Grass	To -16°C	Pink, Late Summer		8' x 4'	Densely tufted pink plumes atop light green stems. Leaves can have sharp edges.
Deschampsia cespitosa	Tufted Hair Grass	To -40°C	White, Summer		2' x 2'	Beautiful white flowers all summer long. Will self-seed. Extremely hardy.
Deschampsia cespitosa 'Goldtau'	Gold Dew Tufted Hair Grass	To -40°C	Golden Yellow, Fall		1-2' x 1-2'	Semi-Evergreen. More compact growing & blooms later than other Tufted Hair.
Equisetum hyemale	Horsetail Reed	To -38°C	N/A		3-4'	Evergreen. This plant is water-wise and a fast grower.
Festuca glauca 'Elijah Blue'	Elijah Blue Fescue	To -35°C	Brown, Summer		12" x 8"	Evergreen. One of the bluest ornamental grasses.
Festuca idahoensis 'Siskiyou Blue'	Idaho Blue Fescue	To -35°C	Tan, Spring		24" x 20"	Evergreen. Requires well-drained soil. Silver foliage and tan plumes in spring.
Hakonechloa macra 'All Gold'	Japanese Forest Grass	To -28°C	None		8" x 18"	Vibrant yellow foliage brightens up any shaded garden. A slow grower.
Hakonechloa macra 'Aureola'	Japanese Forest Grass	To -28°C	None		26" x 20"	Gold and green variegated foliage. Forms a mound. Good groundcover.
Helictotrichon sempervirens	Blue Oat Grass	To -35°C	Brown, Summer		30" x 36"	Evergreen. Densely packed foliage is steel blue. Great in containers.
Imperata cylindrical 'Red Baron'	Japanese Blood Grass	To -28°C	N/A		24" x 14"	Striking red foliage keeps its colour all season. Great as an accent grass.

Grasses

Species	Common Name	Hardy Temp	Flower	Exposure	Height/ Spread	Description
Juncus effuses	Common Rush	To -35°C	Green, Summer		5' x 4'	Evergreen. This grass is native to BC. Grows best in moist soil.
Koeleria glauca	Large Blue Hair Grass	To -35°C	Brown, Spring – Summer		10" x 22"	Evergreen. A shorter grass. Plumes are great in dried flower arrangements.
Leymus arenarius 'Blue Dune'	Blue Lyme Grass	To -45°C	Blue, Summer		2' x 30"	A wide-spreading ornamental grass. Blue-green foliage.
Liriope muscari	Lilyturf	To -29°C	Lavender Summer		16" x 16"	Evergreen. Deer and rabbit resistant. Good for erosion control and as a groundcover.
Liriope muscari 'Big Blue'	Big Blue Lilyturf	To -29°C	Blue, Summer		14" x 14"	Evergreen. Beautiful blue flowers in summer. Drought tolerant once established.
Liriope muscari 'Monroe White'	Monroe White Lilyturf	To -29°C	White, Summer		16" x 16"	Evergreen. Deer and rabbit resistant. Good for erosion control and as a groundcover.
Liriope spicata	Creeping Lilyturf	To -29°C	Lavender Summer		12" x 18"	Evergreen. Great spreading groundcover that is drought tolerant once established.
Luzula sylvatica	Greater Wood Rush	To -38°C	Brown, Late Spring		18" x 20"	If seed heads are not removed this grass will self-seed.
Millium effusum 'Aureum'	Golden Wood Millet	To -22°C	Green, Summer		16" x 12"	Low-growing grass that prefers moist, shady sites.
Miscanthus sinensis 'Adagio'	Dwarf Maiden Grass	To -25°C	White, Late Summer		3' x 3'	Large silvery white flowers over an arching mound of dark green. Great for smaller areas.

Grasses

Species	Common Name	Hardy Temp	Flower	Exposure	Height/ Spread	Description
Miscanthus sinensis 'Gracillimus'	Gracillimus Maiden Grass	To -20°C	White, Summer – Fall		6' x 5'	Fine textured green foliage with copper red flowers. Drought tolerant.
Miscanthus sinensis 'Little Kitten'	Dwarf Maiden Grass	To -20°C	White, Summer – Fall		16" x 16"	A maiden grass for smaller gardens. Foliage is green and narrow.
Miscanthus sinensis 'Morning Light'	Morning Light Maiden Grass	To -25°C	Pink, Summer-Fall		7' x 5'	Great along the back of a border. Prefers sun and well-drained soil.
Miscanthus sinensis 'Purpurescens'	Flame Grass	To -28°C	Pink, Summer - Fall		5' x 6'	Foliage is green in summer and turns to rusty orange in fall.
Miscanthus sinensis 'Sarabande'	Japanese Silver Grass	To -28°C	Bronzy Gold Fall		59-70"	Fall display of showy plumes, and remaining attractive all winter.
Miscanthus sinensis 'Silberfeder'	Silver Feather Grass	To -28°C	White, Late Summer – Fall		3' x 6'	Beautiful, large silver-white flowers stand out against the dark green foliage in late summer.
Miscanthus sinensis 'Strictus'	Porcupine Grass	To -34°C	Brown, Summer - Fall		5' x 4'	Striped green and yellow foliage. A great accent grass.
Miscanthus sinensis 'Yaku Jima'	Dwarf Maiden Grass	To -22°C	Silver, Summer		4' x 2'	Leaves are narrow and contrast beautifully with the silver plumes.
Molinia caerulea 'Moorhexe'	Purple Moor Grass	To -30°C	Purple, Summer		3' x 2'	Very compact, dense grower.

New

Grasses

Species	Common Name	Hardy Temp	Flower	Exposure	Height/ Spread	Description
Molinia caerulea 'Skyracer'	Skyracer Purple Moor Grass	To -35°C	Purple, Late Summer		6-8' x 2-4'	Gently arching, blue-green leaves. Spikes of tiny purple flowers in late summer. Tall copper plumes in fall.
Muhlenbergia capillaris	Pink Muhly Grass	To -22°C	Pink, Late Summer-Fall		4' x 4'	Evergreen. Fast growing, clumping grass, with exquisite pink blooms.
Ophiopogon japonicus	Mondo Grass	To -22°C	Lilac, Summer		12" x 15"	Evergreen. Great mounding habit. Small lilac flowers in summer.
Ophiopogon Japonicus 'Nana'	Dwarf Mondo Grass	To -22°C	White, Summer		6" x 6"	Evergreen. The blade-like arching leaves are an attractive dark green and the berries that follow the flowers are bright blue.
Ophiopogon planiscapus 'Nigrescens'	Black Mondo Grass	To -22°C	Pink, Summer		6" x 12"	Evergreen. A slow growing grass with black foliage. Great as a groundcover.
Panicum virgatum 'Apache Rose'	Apache Rose Switch Grass	To -32°C	Pink, Fall		4-5' x 2-3'	Grey-green foliage turns rose coloured in fall. Flowers are beautiful rose colour.
Panicum virgatum 'Cheyenne Sky'	Cheyenne Sky Switch Grass	To -32°C	Purple-Red, Fall		3' x 1-2'	Great alternative to the Purple Fountain Grass (annual). Blue-green foliage turns wine red in early summer. Incredible fall colour.
Panicum virgatum 'Heavy Metal'	Heavy Metal Switch Grass	To -35°C	Cream, Summer		3' x 3'	Foliage is tipped with a coppery-red colour in summer. Great summer colour.

Grasses

Species	Common Name	Hardy Temp	Flower	Exposure	Height/ Spread	Description
Panicum virgatum 'Hot Rod'	Hot Rod Switch Grass	To -29°C	Purple, Summer		3-4' x 2'	Blue-green foliage during spring turns deep burgundy in summer. Great upright habit.
Panicum virgatum 'North Winds'	North Winds Switch Grass	To -35°C	Yellow, Summer-Fall		6' x 2 1/2'	Great upright habit with tall flowers in late summer through Fall.
Panicum virgatum 'Rotstrahlbusch'	Rotstrahlbusch Switch Grass	To -38°C	Brown, Summer		3' x 2'	Foliage emerges light green and starts to turn red in early summer and maroon by fall.
Panicum virgatum 'Ruby Ribbons'	Ruby Ribbons Switch Grass	To -32°C	White, Fall		3-4' x 2-3'	Blue-green foliage turns burgundy-red in fall. Plumes last from late summer through winter.
Panicum virgatum 'Shenandoah'	Red Switch Grass	To -38°C	Red, Summer – Fall		4' x 3'	Foliage is red at beginning of summer turning to burgundy in fall.
Panicum virgatum 'Totem Pole'	Totem Pole Switch Grass	To -36°C	Gold, Fall		6' x 2-3'	Very upright, column of powdery-blue foliage. Very narrow base – great for adding height to small gardens.
Pennisetum alopecuroides	Fountain Grass	To -28°C	Tan, Fall		4' x 3'	Flower plumes emerge a soft mauve colour and fade to tan as they age. Great for partially shady areas.
Pennisetum alopecuroides 'Desert Plains'	Desert Plains Fountain Grass	To -22°C	Purple-White, Fall		3-4' x 3-4'	Narrow green leaves form a upright clump. An improved version of Hameln.

Grasses

Species	Common Name	Hardy Temp	Flower	Exposure	Height/ Spread	Description
Pennisetum alopecuroides 'Hameln'	Dwarf Fountain Grass	To -22°C	Beige, Summer		4' x 4'	An easy grass to grow in almost all conditions. Compact green foliage.
Pennisetum alopecuroides 'Lemon Squeeze'	Fountain grass	To -28°C	Copper, Mid summer to early fall		24-30" x 24-30"	Like other Fountain Grass but boasts chartreuse gold leaves
Pennisetum alopecuroides 'Little Bunny'	Little Bunny Fountain Grass	To -28°C	White, Early Fall		16" x 24"	Blooms make great cut and dried flowers. Plant in well-drained soil.
Pennisetum alopecuroides 'Moudry'	Black Fountain Grass	To -28°C	Brown, Fall		30" x 24"	The tall brown plumes are long lasting and great for cut and dried flowers.
Pennisetum orientale	Oriental Fountain Grass	To -28°C	White, Summer		30" x 30"	For maximum hardiness, this grass should be grown in full sun and well-drained soil.
Pennisetum orientale 'Karly Rose'	Karly Rose Fountain Grass	To -28°C	Purple, Summer		3' x 3'	A low maintenance grass. Foliage looks good all year long.
Schizachyrium scoparium 'Prairie Blues'	Little Bluestem	To -38°C	Brown to silver, Late Summer		3' x 1-2'	Grown for its foliage that is more consistently gray blue in color when compared to the species. In fall it has fluffy silver seed heads that may persist into winter and rosy orange foliage.

New

Grasses

New

Species	Common Name	Hardy Temp	Flower	Exposure	Height/Spread	Description
Schizachyrium scoparium 'The Blues'	The Blues Bluestem Grass	To -40°C	White, Late Summer		3' x 3'	Very fast growing grass with grey-green foliage that turns bronze and orange in fall. Great for rock gardens.
Sesleria autumnalis	Autumn Moor Grass	To -25°C	White, Fall		1' x 2'	Very draught tolerant once established.
Sesleria caerulea	Blue Moor Grass	To -36°C	Purple, Late Spring		6-8" x 10-12"	A low, clump-forming grass with metallic, blue-green foliage
Stipa tenuissima	Mexican Feather Grass	To -16°C	White, Summer- Winter		2' x 2'	Tan flowers on thin, bright green foliage in late summer; moves in the slightest breeze.
