

Name	Flower Color	Height x Width	Plant Characteristics
Cavatine	White	3-4' x 3-4'	Compact, dense habit with glossy green foliage.
Cupido	White	2-3' x 2-3'	Dark burgundy buds form in fall, opening to pure white flowers in spring. Great compact form.
Flaming Silver	White	4-5' x 3-4'	White/green variegated foliage. New growth is light red.
Forest Flame	White	6-10' x 6-10'	Foliage emerges bright red and then turns to pinkish-white as the spring progresses, eventually turning green for summer.
Insterstella	Ruby red & white	3-4' x 3-4'	Extremely early to bloom, and blooms are very long lasting.
Karenoma	White	5-6' x 3-4'	The most cold-hardy Pieris. Flowers are white and upright.
Katsura	Rose	2-3' x 2-3'	New foliage emerges dark red and turns to green as the season progresses. Great for containers.
Little Heath	White	3-4' x 3-4'	Neat, compact shrub with yellow variegated foliage.
Mountain Fire	White	6-10' x 6-10'	Fiery red new growth turns green with age.
Purity	White	3-4' x 3-4'	New growth is bronzy red. Nice compact form.
Shojo	Dark Pink	3-4' x 4-5'	Almost black buds open to dark pink-almost red flowers. Very compact habit.
Temple Bells	White	3-4' x 3-4'	A superb shrub for shady parts of your garden.
Valley Rose	White	3-5' x 3-5'	Flowers open light pink and turning to solid white. New growth is dark red.
Valley Valentine	Red	4-6' x 3-4'	Attractive red foliage when young. Excellent mounding habit.
Variegata	White	3-5' x 3-5'	Beautiful creamy white and green variegated foliage. New foliage is pink.
