Evergreen Vines					
Species	Common Name	Flower	Exposure	Height	Description
Clematis 'Armandii'	Clematis	White, Spring	 	20-25'	A woody, perennial, vine that climbs by twisting stems and petioles.
Dendropanax davidii	Ivy on a Stick	Gold, Spring	 	30-36'	Highly unusual green flowers are followed by black fruit. Protect from hard winter frosts. Very rare.
Jasminum polyanthum	Pink Jasmine	Pink, Spring-Summer		15-20'	This heavily scented, vigorous grower requires a frost-free location.
Trachelospermum jasminoides	Star Jasmine	White, Spring/Summer	 	15-20'	Fragrant White flowers turn cream-white in the heat.

Semi- Evergreen Vines					
Species	Common Name	Flower	Exposure	Height	Description
Akebia quinata	Fiveleaf Akebia	Purple, Spring	 	20-25'	Very vigorous grower. Covers arbours very quickly. Gorgeous purple flowers in spring.
Ampelopsis brevipedunculata 'Elegans'	Elegans Porcelain Berry Vine	Berries, Fall	 	10-25'	Variegated pink, white and green leaves. Beautiful foliage with ornamental berries in the fall. Berries change from lavender to dark blue.
Ampelopsis glandulosa 'Maximowiczii'	Porcelain Vine	Berries, Summer	 	12-16'	A vigorous, woody, tendrill-climbing vine which is somewhat similar in habit to wild grape vines
Hydrangea integrifolia	Evergreen Climbing Hydrangea	White, Spring-Summer	 	30-40'	Beautiful white flowers from spring though summer. Can take several years to flower.
Jasminum officinale	White Jasmine	White, Summer - Fall		20-30'	This heavily scented, vigorous grower with support can climb along a wall, fence or arbour.

Deciduous Vines					
Species	Common Name	Flower	Exposure	Height	Description
Actinidia arguta 'Anna'	Hardy Kiwi	White, Spring		15-20'	A vigorous vine that produces more than 100 lbs of fruit 3 to 4 years after planting.
Actinidia arguta 'Issai'	Hardy Kiwi	White, Spring		20-25'	Fast-growing, twining woody vine that is typically grown for its attractive foliage and edible fruit
Actinidia arguta 'Prolifica'	Prolific Kiwi	White, spring		15-20'	Prolific is self-fertile and will independently yield delicious, grape-sized fruit.
Actinidia deliciosa 'Matua'	Fuzzy Kiwi	White, Spring		15-20'	Kiwi deliciosa 'Matua' is a male that is ideal for pollinating all fuzzy kiwi types.
Actinidia deliciosa 'Saanichton'	Fuzzy Kiwi	White, Spring		15-20'	A heavy producer of large, sweet and flavorful fruit.
Actinidia kolomikta 'Arctic Beauty'	Arctic Beauty Kiwi (Male)	White, Spring		10-15'	Beautiful white & pink variegated foliage. Very fragrant flowers. Use to pollinate September Sun Kiwi.
Actinidia kolomikta 'September Sun'	September Sun Hardy Kiwi (Female)	White, Spring		15-20'	Beautiful variegated foliage & fragrant white flowers. Use Arctic Beauty or Pasha to pollinate to get fruit.
Aristolochia durior	Dutchman's Pipe	Cream, Spring		20-40'	A very vigorous grower once established. Flowers are very unique.
Campsis radicans 'Flamenco'	Flamenco Trumpet Vine	Red, Summer		10-20'	Very vigorous grower that will cover walls and fences quickly.
Campsis radicans 'Flava'	Yellow Trumpet Vine	Orange-Yellow, Summer		20-40'	Dense multi-stemmed deciduous woody vine with a twining and trailing habit of growth.
Campsis tagliabuana 'Indian Summer'	Indian Summer Trumpet Vine	Yellow & Red, Summer		10-20'	Prefers hot and sunny locations. Gorgeous yellow flowers with red throats.
Holboellia coriacea	Sausage Vine	Cream, Summer		15-20'	A very surprising and slightly fragrant climbing vine. It loves rather shaded spots.
Humulus lupulus 'Cascade'	Common Hop	Green, Summer		12-15'	Perennial vine that is grown commercially for harvest of female fruits.

Deciduous Vines

Species	Common Name	Flower	Exposure	Height	Description
Humulus lupulus 'Centennial'	Common Hop	Green, Summer	 	10-12'	Yellow-green male flowers bloom in catkins. Female flowers and subsequent seeds are born in cone-like structures (strobiles) which mature in late summer to early fall.
Humulus lupulus 'Chinook'	Common Hop	Green, Summer	 	10-12'	Female flowers appear in summer and are used in the process of brewing beer.
Humulus lupulus 'Summer Shandy'	Common Hop	Green, Summer	 	5-10'	Yellow-green male flowers bloom in catkins. Female flower.
Hydrangea anomala 'Petiolaris'	Climbing Hydrangea	White, Mid Summer		50-80'	This vigorous grower can reach heights of 45'. Grows well up trees. Great summer flowers.
Jasminum nudiflorum	Winter Jasmine	Yellow, winter	 	4-6'	Willowy green stems are attractive in winter. Non-fragrant, bright yellow flowers bloom along the stems in late winter before the leaves.
Lonicera 'Peaches N' Cream'	Peaches N' Cream Honeysuckle	Soft Pink	 	5-6'	Flowers change from soft pink to yellow. Very fragrant. Bloom throughout the summer.
Lonicera periclymenum 'Scentsation'	Scentsation Honeysuckle	Yellow, Summer		8-10'	Extremely fragrant, yellow flowers from mid-spring to late summer. Non-invasive.
Parthenocissus quinquefolia	Virginia Creeper	Green, Spring	 	40-60'	Wonderful for climbing walls and fences. Produces incredible fall colour.
Parthenocissus quinquefolia 'Engelmannii'	Virginia Creeper	Green, Spring	 	15-20'	Extremely vigorous grower. Foliage turns brilliant red in fall.
Parthenocissus quinquefolia 'Red Wall'	Red Wall Virginia Creeper	Green, Spring	 	20-30'	Gorgeous glossy, green foliage turns bright red in fall. Fast growing.
Parthenocissus quinquefolia 'Yellow Wall'	Yellow Wall Virginia Creeper	White, Spring	 	20-30'	Gorgeous glossy, green foliage turns bright yellow in fall.
Parthenocissus tricuspidata 'Veitchii'	Boston Ivy	White/ Spring	 	30-50'	Foliage starts out purple in spring turning green as the season progresses. A self-clinging vine, turning brilliant shades of orange and red in the fall.

Deciduous Vines

Species	Common Name	Flower	Exposure	Height	Description
Schizophragma hydrangeoides 'Flirty Girl'	False Hydrangea Vine	White, Summer		40-50'	Lightly fragrant, creamy blooms in no time at all. New growth emerges purple
Schizophragma hydrangeoides 'Rose Sensation'	Rose Sensation False Hydrangea	Pink, Summer		40-50'	Large, deep pink flowers in June & July. Performs well in both sun or shade.
Wisteria 'Aunt Dee'	Aunt Dee Wisteria	Purple, Spring		15-25'	Beautiful purple-blue flowers in spring. Tolerates wet conditions better than any other Wisteria.
Wisteria 'Blue Moon'	Blue Moon Wisteria	Blue, Spring		15-30'	Gorgeous lilac-blue flowers in spring. Prolific grower.
Wisteria floribunda 'Caroline'	Japanese Wisteria	Purple, Early Spring		13-30'	A vigorous vine smothered in long chains of deliciously fragrant lilac blue flowers in spring.
Wisteria floribunda 'Issai Naga'	Japanese Wisteria	Blue, Spring		25-30'	Large, vigorous climber. With twining stems, and green leaves divided into leaflets, that turn butter-yellow in fall.
Wisteria floribunda 'Longissima Alba'	Wisteria	White, Early Spring		25-30'	Gorgeous white flowers can be up to 4' long! Flowers stand out against its bright green foliage.
Wisteria floribunda 'Pink Ice'	Japanese Wisteria	Pink, Spring		10-15'	Flowers are a translucent pink with a pea shape, these flowers fade as they open.
Wisteria floribunda 'Rosea'	Japanese Wisteria	Pink, Spring		15-25'	Handsome chains of light pink flowers cascading from the branches in spring, vigorous almost to a fault.
Wisteria sinensis 'Amethyst'	Chinese Wisteria	Purple, Late Spring		15-30'	The flowers are produced in late spring or early summer, before the leaves open, and are strongly fragrant.
Wisteria sinensis 'Blue Sapphire'	Chinese Wisteria	Blue, Spring		40-50'	A vigorous vine smothered in long chains of deliciously fragrant and visually stunning blue and white flowers.
Wisteria sinensis 'Double Purple'	Chinese Wisteria	Purple, Spring		15-30'	Long hanging clusters of fragrant double deep purple flowers in late spring.
Wisteria sinensis 'Jako'	Chinese Wisteria	White, Early Spring		10-30'	The white flowers are produced in late spring or early summer, before the leaves open, and are strongly fragrant.

Deciduous Vines

Species	Common Name	Flower	Exposure	Height	Description
Wisteria sinensis 'Pink'	Chinese Wisteria	Pink, Early Spring	 	15-30'	Long, pink flowers in early spring. Very vigorous grower - great for covering a fence.
Wisteria sinensis 'Prolific'	Chinese Wisteria	Purple. spring	 	15-25'	Produces long, heavy, drooping racemes of lilac-blue flowers in late spring
Wisteria sinensis 'White'	Chinese Wisteria	White, Spring	 	15-20''	Twining stems, pinnate leaves and short racemes of fragrant, pure white, pea-like flowers opening before the new leaves
