Evergreen Vines

Species	Common Name	Flower	Exposure	Height	Description
Clematis 'Armandii'	Clematis	White, Spring		20-25'	A woody, perennial, vine that climbs by twisting stems and petioles.
Dendropanax davidii	Ivy on a Stick	Gold, Spring		30-36'	Highly unusual green flowers are followed by black fruit. Protect from hard winter frosts. Very rare.
Hydrangea seemanii	Seemann's Hydrangea	Greenish-white, Summer		26-49'	Produces domed flower heads composed of greenish-white fertile flowers surrounded by showy white bracts.
Jasminum polyanthum	Pink Jasmine	Pink, Spring-Summer		15-20'	This heavily scented, vigorous grower requires a frost-free location.
Trachelospermum jasminoides	Star Jasmine	White, Spring/Summer		15-20'	Fragrant White flowers turn cream-white in the heat.

Semi-Evergreen

Species	Common Name	Flower	Exposure	Height	Description
Akebia quinata	Fiveleaf Akebia	Purple, Spring		20-25'	Very vigorous grower. Covers arbours very quickly. Gorgeous purple flowers in spring.
Ampelopsis brevipedunculata 'Elegans'	Elegans Porcelain Berry Vine	Berries, Fall		10-25'	Variiegated pink, white and green leaves. Beautiful foliage with ornamental berries in the fall. Berries change from lavender to dark blue.
Hydrangea integrifolia	Evergreen Climbing Hydrangea	White, Spring-Summer		30-40'	Beautiful white flowers from spring though summer. Can take several years to flower.
Jasminum officinale	White Jasmine	White, Summer-Fall		20-30'	This heavily scented, vigorous grower with support can climb along a wall, fence or arbour.
Lonicera henryi	Evergreen Honeysuckle	Crimson/Yellow		20-30'	Use this evergreen vine for privacy screening. Flowers are followed by black berries in fall.

Deciduous Vines

Species	Common Name	Flower	Exposure	Height	Description
Actinidia arguta 'Anna'	Hardy Kiwi (Female)	White, Spring		15-20'	A vigorous vine that produces more than 100 lbs of fruit 3 to 4 years after planting.
Actinidia arguta 'Issai'	Hardy Kiwi (Self-Fertile)	White, Spring		20-25'	Fast-growing, twining woody vine that is typically grown for its attractive foliage and edible fruit
Actinidia arguta 'Prolifca'	Prolific Kiwi (Self-Fertile)	White, Spring		15-20'	Prolific is self-fertile and will independently yield delicious, grape-sized fruit.
Actinidia deliciosa 'Male'	Fuzzy Kiwi (Male)	White, Spring		15-30'	Slightly fragrant clusters of cup shaped, creamy-white flowers are borne in late spring. Use Actinidia deliciosa 'Saanichton' to pollinate to get fruit
Actinidia deliciosa 'Saanichton'	Fuzzy Kiwi (Female)	White, Spring		15-20'	A heavy producer of large, sweet and flavorful fruit. Use Actinidia deliciosa 'Male' to pollinate to get fruit.

Actinidia kolomikta 'Arctic Beauty'	Arctic Beauty Kiwi (Male)	White, Spring		10-15'	Beautiful white & pink variegated foliage. Very fragrant flowers. Use to pollinate September Sun Kiwi.
Actinidia kolomikta 'September Sun'	September Sun Hardy Kiwi (Female)	White, Spring		15-20'	Beautiful variegated foliage & fragrant white flowers. Use Arctic Beauty to pollinate to get fruit.
Aristolochia durior	Dutchman's Pipe	Cream, Spring		20-40'	A very vigorous grower once established. Flowers are very unique.
Campsis radicans 'Flava'	Yellow Trumpet Vine	Orange- Yellow, Summer		20-40'	Dense multi-stemmed deciduous woody vine with a twining and trailing habit of growth.
Campsis tagliabuana 'Indian Summer'	Indian Summer Trumpet Vine	Yellow & Red, Summer		10-20'	Prefers hot and sunny locations. Gorgeous yellow flowers with red throats.
Humulus lupulus 'Cascade'	Common Hop	Green, Summer		12-15'	Perennial vine that is grown commercially for harvest of female fruits.
Humulus lupulus 'Centennial'	Common Hop	Green, Summer		10-12'	Yellow-green male flowers bloom in catkins. Female flowers and subsequent seeds are born in cone-like structures (strobiles) which mature in late summer to early fall.
Humulus lupulus 'Chinook'	Common Hop	Green, Summer		10-12'	Female flowers appear in summer and are used in the process of brewing beer.
Humulus lupus 'Summer Shandy'	Hop Vine	Greenish- yellow, late summer		15-25'	Fast-growing, twining vine with bright green, lobed foliage and decorative hop cones; ideal for trellises, fences, or arbors, adding texture and vertical interest.
Hydrangea anomala 'Petiolaris'	Climbing Hydrangea	White, Mid Summer		50-80'	This vigorous grower can reach heights of 45'. Grows well up trees. Great summer flowers.
Jasminum nudiflorum	Winter Jasmine	Yellow, winter		4-6'	Willowy green stems are attractive in winter. Non-fragrant, bright yellow flowers bloom along the stems in late winter before the leaves.
Lonicera periclymenum 'Scentsation'	Scentsation Honeysuckle	Yellow, Summer		8-10'	Extremely fragrant, yellow flowers from mid-spring to late summer. Non-invasive.
Lonicera reticulata 'Kintzley's Ghost'	Kintzley's Ghost Honeysuckle	Yellow, Late Spring		6-12'	In late spring, it produces yellow tubular flowers encircled by blue-white, saucer-shaped bracts that resemble eucalyptus leaves.
Parthenocissus quinquefolia	Virginia Creeper	Greenish- white, Late Spring to Early Summer		30-50'	Inconspicuous greenish-white flowers appear in late spring to early summer, leading to blue-black berries that persist into winter.
Parthenocissus quinquefolia 'Red Wall'	Red Wall Virginia Creeper	Green, Spring		20-30'	Gorgeous glossy, green foliage turns bright red in fall. Fast growing.
Parthenocissus tricuspidata 'Veitchii'	Boston Ivy	White/ Spring		30-50'	Foliage starts out purple in spring turning green as the season progresses. A self-clinging vine, turning brilliant shades of orange and red in the fall.
Passiflora caerulea	Blue Passionflower	White, Early Summer to Early Fall		30'	Blooming from early summer to early fall, these fragrant flowers are followed by ovoid orange fruits in late summer through fall.

Schizophragma hydrangeoides 'Flirty Girl'	False Hydrangea Vine	White, Summer		40-50'	Lightly fragrant, creamy blooms in no time at all. New growth emerges purple
Vitis vinifera 'Purpurea'	Purple-Leaf Grape Vine	Greenish-white		6-30'	Ripens late summer/ fall.
Wisteria 'Aunt Dee'	Aunt Dee Wisteria	Purple, Spring		15-25'	Beautiful purple-blue flowers in spring. Tolerates wet conditions better than any other Wisteria.
Wisteria 'Blue Moon'	Blue Moon Wisteria	Blue, Spring		15-30'	Gorgeous lilac-blue flowers in spring. Prolific grower.
Wisteria floribunda 'Caroline'	Japanese Wisteria	Purple, Early Spring		13-30'	A vigorous vine smothered in long chains of deliciously fragrant lilac blue flowers in spring.
Wisteria floribunda 'Double Purple'	Japanese Wisteria	Purple, Late Spring		20-30'	Deciduous climbing vine with lush green foliage; produces cascading, fragrant double purple flower clusters, perfect for trellises, pergolas, and fences.
Wisteria floribunda 'Honbeni'	Pink Ice Japanese Wisteria	Pink		15-25'	Fragrant pink flowers in late spring. You will find this vine flowers best in full sun but can be grown in part shade. Needs a sturdy support structure on which to grow.
Wisteria floribunda 'Issai Naga'	Japanese Wisteria	Blue, Spring		25-30'	Large, vigorous climber. With twining stems, and green leaves divided into leaflets, that turn butter-yellow in fall.
Wisteria floribunda 'Issai Perfect'	Japanese Wisteria	Purple, Late Spring		10-15'	Vigorous, yet compact deciduous vine with lush green foliage; produces cascading fragrant lavender-purple flowers, ideal for small trellises, fences, or pergolas.
Wisteria floribunda 'Pink Ice'	Japanese Wisteria	Pink, Spring		10-15'	Flowers are a translucent pink with a pea shape, these flowers fade as they open.
Wisteria floribunda 'Rosea'	Pink Japanese Wisteria	Pale Rose tipped with purple, Late Spring to Early Summer		20-25'	Flowers are followed by attractive, bean-like pods that ripen in late summer and may persist into winter.
Wisteria sinensis 'Alba'	Chinese Wisteria	White		15-60'	Vigorous twining stems bear pinnate leaves and long pendulous racemes of fragrant pea-like flowers in spring and early summer.
Wisteria sinensis 'Blue Sapphire'	Chinese Wisteria	Blue, Spring		40-50'	A vigorous vine smothered in long chains of deliciously fragrant and visually stunning blue and white flowers.
Wisteria sinensis 'Prolific'	Chinese Wisteria	Purple, spring		15-25'	Produces long, heavy, drooping racemes of lilac-blue flowers in late spring
